Consent Terms

I confirm that I am authorised to provide the personal details presented for identity verification and declare that our organisation holds express, demonstrable consent from the individual named in this check. I further authorise Global Data to access and verify the identity information using trusted sources, including but not limited to the ID document issuer (DVS), superannuation and employment records, and other reliable sources. This information will be used for Identity Verification, KYC, AML, and CTF purposes, in compliance with relevant laws and regulations.
